

*Thanks to your gifts, time, skills, and financial giving,
we were able to give our community
the gift of God's Love!*

Praise for the successful block party and seeing all of the joyful, hard-working church members!

Thanks to God for the rain and that it didn't come during the fantastic block party!

A homeless gentleman said, "God bless you all for doing this." Our reply was "We are just glad you are here." He said, "I'm glad I'm here too!"

One of our block party guests was wondering if God was leading them to Christ Lutheran Church. When they got home and opened the gift bag they saw one of the care ministry brochures and it was like God was shouting to them that Christ Lutheran Church Ministries was for them. Still hurting from past misfortunes, this particular care ministry would help them heal. God was making His voice heard. It sure was good to see this block party guest with us on the following Sunday morning!

This is awesome!

"I've lived across the street from this church for 15 years, this is the first time I've been on your property."

**Thank you for a
great party!**

Twenty-four people sought help by posting personal prayers on the prayer wall. What a privilege it is to love our community through the powerful ministry of prayer. All of the posted prayers have been prayed for.

"I hear the beautiful music on Sunday morning from your gym, and it drew me to come today."

Twenty people heard a clear witness of the story of Jesus' birth, life, ministry, death, and resurrection! These people went through our sanctuary tour and got to experience its beauty and life-saving message.

The event was enjoyed by the young and the young at heart!

We should do this every year!
